Forward

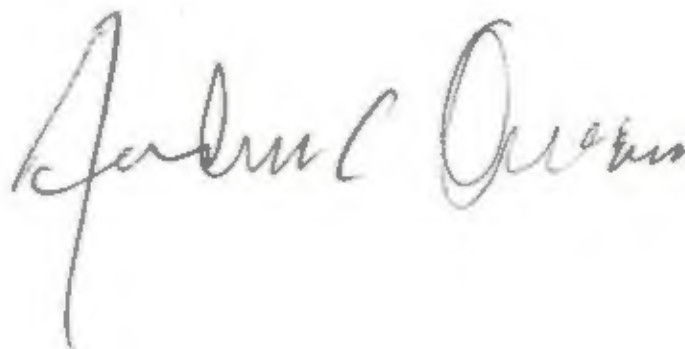

As we entered this new building, I suppose that in a sense we entered into a new phase of secondary education for the youth of this community, but we should remember, also, that it is a continuation of a system of education that the citizens of this community instigated, fostered, nurtured and supported over these many years.

The students of this school should, and I think for the most part do, have a sense of gratitude to those people who have made this building possible.

We must remember, however, that bricks and mortar do not make a school. A school is really made up of students and faculty, and almost regardless of everything else, it is their excellence or lack of it that really determines the character and quality of a school.

This is the first Quit Qui Oc published from the new school, and we sincerely hope that it will be followed by many, many more equal or better than this one which we proudly present to you.

I give my personal thanks and appreciation to the fine young people who have worked so diligently and faithfully to make this book possible. I am proud of them and their efforts and feel that I have been privileged to have had the opportunity to work with them and call them "My staff."

Preface

The year 1966-1967 was witness to the fulfillment of a wonderful dream. This dream was in the form of a new edifice, the high school. The entire community, working and planning together, shared a desire to see its completion and success. With its spacious corridors, fashionable auditorium, gymnasium, magnificent pool and ample classrooms, the school represents the "vision for future dreams" as well. Entering its doors will be scores of inquisitive children; leaving its doors will be mature men and women, ready to face society realistically and knowledgeably, with the hope and desire to help and better their and their children's world.

Faculty

When each teacher helped to plan his room, he had doubts and many dreams that seemed to be far into the future. The unique facilities and accommodations that were so diligently organized finally became realities. There were no longer cramped classrooms and outdated equipment. This first year in the new building has brought great satisfaction to the faculty members.

One of the most fabulous departments of the new school is the science department. Included in the section are project rooms, ideal equipment, spacious laboratory areas and highly qualified instructors. New in the department this year were Mr. Frederick Jensen and Mr. Earl Gausman. Also new to the department were many varied classes including advanced biology, BSCS biology, applied science and earth science.

English

This year at Plymouth High School the basic English classes, English 9, 10, 11 and 12, were divided into their separate parts, giving the student more of a variety in English studies. Shakespeare, speech, drama, English Literature, World Literature and grammar are just a part of the list. A new course this year was College Preparatory English for juniors and seniors. New teachers include Miss Bloomquist, Miss Holsbo and Mr. Rettig.

One of the happiest teachers at our new school this year was Mr. Edmund Worthman. He moved out of his cramped quarters at the old school into a spacious, well-equipped room. He no longer has to walk down the hall into a small project room to get needed materials and students' art work. The many drawers, cupboards and closets for storage space in his new room eliminate this problem.

Mr. Worthman has set up two new classes this year. A beginner's class and a college-bound class have fit well into the schedules of pupils and Mr. Worthman. Many of the drawings and paintings of his students are sent each year to the Milwaukee Journal Art Contest with much success.

In addition to this the band participates in the Homecoming festivities, including the gay parade and colorful half time show, and summer's Cheese Festival Parade

In past years the experienced Senior Band has won numerous awards, usually firsts, at the Spring Music Festival. We wish them the same good fortune in future years.

Juniors

Each year the big hi-light of the second semester for the junior class is the prom. The members of the junior class take pride in planning and making arrangements for the big affair. This year the class looked forward to the first prom to be held in the spacious cafeteria. As the date drew close the atmosphere of excitement could be visioned throughout the building, schoolwork was put aside for the few minutes before each class, and girls, as well as boys, were making last minute arrangements for the evening.

When the night arrived and slowly drew to a close, the attending juniors could look back to their months of work and consider them well spent.

Sophomores

Just as the juniors look forward to their prom, the sophomores look forward to the purchasing of class rings. Each fall many faces are aglow when the rings finally arrive. Many rings do not stay with the male members of the class, but many of the female members find that to their liking.

Freshmen

As freshmen end their first year of high school they can look back over a good or a poor scholastic year. Many are well satisfied, but others feel they could have put forth a greater effort. These people have a chance to better themselves in their next three years. We hope that they will strive for perfection and, although they may not achieve the highest positions of their class, they may achieve self-satisfaction in knowing that they have at least tried.

Homecoming 1966

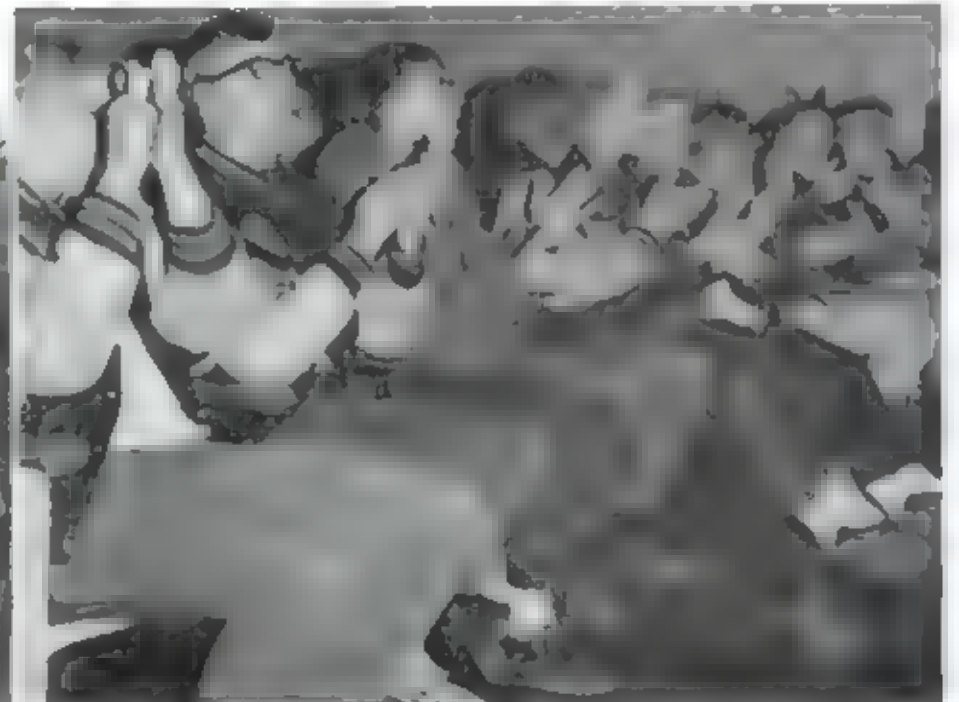

Accompanying Homecoming 1966 were the usual beehive activities of preparing floats and windows, and electing the court. Preceding the game were the lively pep assembly and burning of the letters. Elected king and queen were MIKE PRINDIVILLE and SARA HOLZSCHUH. They waved to the crowds in the colorful afternoon parade. Everyone was gay and the atmosphere was set for a good game that night. The game, against Chilton, however, proved to be a sad note for PHS fans, for we suffered our only loss of the season. The half-time show and the Homecoming dance following the game helped to cheer everyone up.

Re ax Mike, it's all over.

old regulars like Marryin' Sam, who was helped by a new arrival, Snake. The dance climaxed a week of TWIRP Season in which the girls pay everything! Great, huh guys?

Guys and Dolls

Having troubles Miss Clark?

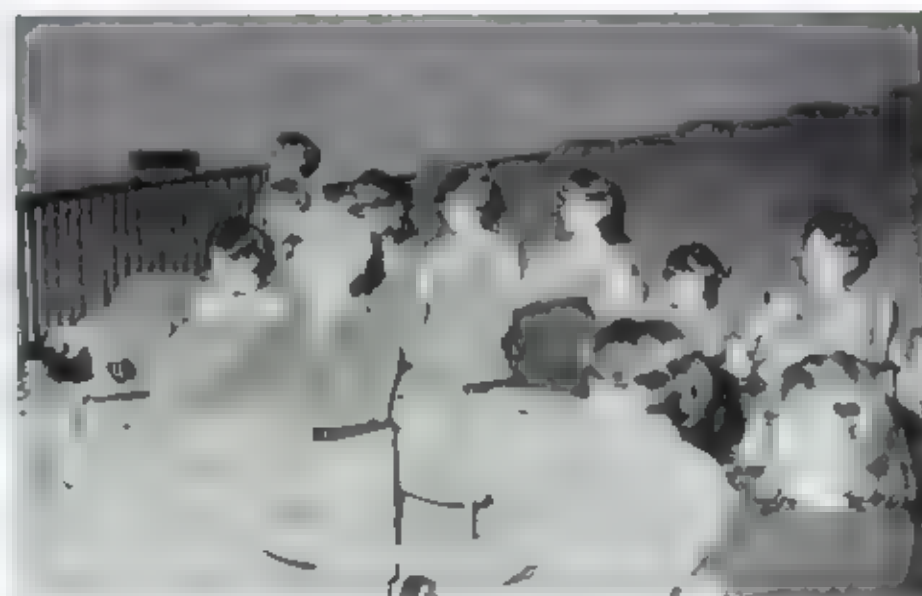

Guys and Dolls, the first musical to be staged at Plymouth High, was lauded as being the best production ever to be presented by the student body. Sara Holzschuh, Patty Abraham, Rich Haucke and Warren Wittkopp held lead roles and carried them out with superb effectiveness. Although the royalties of such a production caused some hesitation before the musical was staged, the huge crowds conceded that it was well worth it and helped to add to the overall profits.

The Grand March led by the King and Queen followed by 1965's royalty, Jean Brigham and Jack Gebler.

Hiding behind the trellis.

The 1966 prom, "Theme from a Summer Place" was reigned over by King Bob Meerstein and Queen Lynn Eberhardt. They were crowned under a series of arches decorated with brilliant flowers. Nearby were colorful murals of picturesque waterfalls, mountains and forests. And what prom would be complete without a love seat sheltered by pines.

Eddy Simms' Orchestra provided the rapturous music to which the couples danced. Of the 100 couples that attended, about half went to the Kiwanis-sponsored Post Prom held at the Mitchell Hotel where the Mystics played their popular beat.

The activities were brought to an end as the somewhat sleepy juniors proceeded to remove the decorations from the gym the following morning.

ORGANIZATIONS

DO YOU JUST BELONG?

Are you an active member—
the kind

That would be missed?
Or are you just contented that
Your name is on the list?

Do you attend meetings
And mingle with the flock,
Or do you always stay at home
To criticize and knock!

Do you take an active part to
Help the work along?
Or are you satisfied to
Only just belong?

Do you ever go to visit a
Member who is sick
Or leave the work to just a few
And talk about the "clique"?

Think this over, member, you
Know the right from wrong.
Are you an active member or
Do you just belong?

National Honor Society

D. Chaplin, President; S. Hintz, Vice-President; L. Miller, Secretary.

National Honor Society is a nation-wide program designed to recognize student leaders. Members are chosen by the school's teachers on the basis of scholarship, leadership, character, and service. New members' names are kept secret until an initiation assembly in the spring. As it is now, only fifteen percent of the senior class and only five percent of the junior class are eligible for acceptance into the society. A student must be in the upper third of his class for eligibility.

Student Council is the government body in school run by the students. Two representatives are elected each spring from each home-room for the next year. At the same time the student body votes for the Council's vice-president, who is elected as a sophomore. After serving as V.P. in his junior year he automatically becomes president in his senior year.

This year the council, meeting Tuesdays after school, acquired more responsibilities and problems as a result of having to govern in a new and strange high school. Through a united effort under the guidance of Mr. Fred Henschel, however, they met the challenge well.

Quit Qui Oc Staff

Members of the Quit Qui Oc staff enjoyed sharing the publications room with the Hi-Lites staff this year. Besides having a new room, the staff was able to have its photographs developed by members of the Photography Club in the new dark room facilities.

Long hours were put in by all members of the staff after school hours in order to compile this first edition of the Quit Qui Oc from the new high school. We hope we have been able to preserve some of your memories of 1966-1967 through photographs and copy.

Plymouth High School was represented this year by eleven members in the Quill and Scroll, an honorary journalism society. In order to qualify for this honor, the students had to be an editor or page editor of the school paper, or an editor or manager of the school yearbook. Also eligible for membership were those students who received an award for creative writing. All members must be juniors or seniors.

Hi-Lites, the bi-weekly publication of PHS, was edited this year by Cathy Bruhy. With her staff of page editors, circulators, artists and photographers she was able to complete a successful year under the watchful eye of Miss Janet Fromm, faculty advisor of the publication.

Pep Club

This year the pep at Plymouth High got off to a slow start. But with the help of Pep Club students found that they could find ways of promoting pep without taping signs on the walls and at the beginning of the year, without pep rallies. As the year progressed the spirit was back on the road to success.

Besides these activities, the members worked as cadets for teachers, helping to make their jobs less tedious.

New members were initiated into Letter Club this year in a rigorous fashion. They quickly learned to appreciate their membership in the club.

Besides the unusual initiation, members participated in various school functions. They could be seen at home basketball games offering their services as ushers and preventing spectators from wandering onto the playing area. Good sportsmanship was promoted by each member.

Sports

Just as the students of Plymouth High take pride in their school, they also take pride in their teams. New equipment, two regulation-size basketball courts, an indoor track practice area, an olympic-size swimming pool and abundant space for football practice help add to the enthusiasm shown by prospective athletes. With the encouragement of the student body we hope that each team will bring victory and good sportsmanship to our school.

Varsity

All of the power-packed thrills of football were again witnessed this year at PHS as the mighty Plymouth Panthers slugged their way through both conference and non-conference games. The Panthers demolished almost every team they played except for their only loss — Chilton. This loss put PHS into second place. The team elected Mike Prindiville and Ted Titel as co-captains. Most valuable player was Mike Prindiville.

Varsity Basketball

The Plymouth Panthers fought valiantly in the 1966-67 basketball season, only to find themselves in fourth place after losing four conference and one non-conference game. In the tournaments Plymouth did an excellent job of winning the first round and coming close in the second. High scorer for the season was Bob Meerstein. Co-captains, elected by the team, were Dan Blanke and Bob Meerstein.

Williams meet, hosting 14 schools, and the Ripon Invitational, including twelve schools. In the sectionals there were numerous individuals from PHS who qualified, by receiving a first or a second, to go to the state meet. They were Dan Blanke in the high hurdles; Joe Ule in the discuss; Bill Roltgen in the pole vault; Tom Mucha in the shot put; Jim Baldock in the 440; and the mile relay team consisting of Dave Andrews, Gerry Liebetrau, Lloyd Streblow, and Steve Meyer. At the state meet Joe Ule set a new state class 'B' record in the discuss with a mighty heave of 174' 8".

FOOD FOR THOUGHT

To excel the past we must not allow ourselves to lose contact with it.

On the contrary, we must feel it under our feet, because we raised ourselves upon it

WORDS FOR OUR LAND TO LIVE BY

Thomas Jefferson, First Inaugural Address, March 4, 1801

"—a wise and frugal government, which shall restrain men from injuring one another, which shall leave them otherwise free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned. This is the sum of good government, and this is necessary to close the circle of our felicities."
